**What are you investing in and who are you investing with?**

The **BPI INVEST BALANCED FUND** is a balanced Unit Investment Trust Fund (UITF) (41%-60% equities) established by BPI Asset Management and Trust Corporation (BPI AMTC) in accordance with, and shall be operated subject to the provisions of its Declaration of Trust/ Plan Rules, and as the same may be amended from time to time, in accordance with the regulations issued by the Bangko Sentral ng Pilipinas and existing laws.

The Fund, operating as a multi-class fund, seeks to achieve long-term capital growth derived by investing in a diversified portfolio of equities and fixed income instruments. The Fund aims to provide absolute returns in excess of the return of the composite benchmark, 50% Philippine Stock Exchange Index and 50% BPI Philippine Government Bond 1-5 Year Index.

The Fund is for investors who:

- Are at least classified as aggressive based on their risk profile.
- Have an investment horizon of more than five (5) years.

The Fund's investment outlets undergo proper screening and evaluation in accordance with the Trustee's accreditation process and minimum regulatory requirements. Regulatory exposure limits and asset allocation ranges as provided in the Fund's Plan Rules are strictly adhered to and monitored on a regular basis. The Fund may also use financial derivatives to hedge the portfolio against market and credit risks.

## What are the key risks of this investment?

Some of the key risks associated with this Fund are listed below:

**Equity Price Risk:** Investors are exposed to adverse changes in the prices of stocks listed in the Philippine Stock Exchange, which may be brought about by adverse stock market conditions, unfavorable company earnings and valuations and/or negative developments in domestic and global political and economic conditions.

**Liquidity Risk:** Investors are exposed to the risk of loss due to the Fund's inability to convert fixed income and equity security holdings to cash immediately or in instances where conversion to cash is possible at a highly disadvantageous price due to limited buyers/sellers in the market, low trading volumes or market disruptions, among other reasons/factors.

**Interest Rate Risk:** Investors are exposed to adverse changes in the prices of domestic fixed income securities due to a rise in interest rates, which generally causes fixed income security prices to decline. Factors/ events that may lead to a rise in interest rates include adverse market conditions, issuer- specific factors/ events and/ or negative developments in domestic political and economic conditions.

**Related Party Risk:** Investors are exposed to actual or potential conflicts of interest in the handling of related party transactions by the Trustee, specifically, time deposit placements with the Trustee's own bank and/or its subsidiary, purchase of debt and equity securities issued by related parties, as well as the execution of trade transactions with related counterparties.

## How can you exit from this investment and what are the risks and costs in doing so?

Investors/participants of the Fund may redeem their investment daily (regular business days). The Fund does not have a minimum holding period, and thus there are no exit fee/s. As a marked-to-market UITF, net asset value, NAVPU/price, and returns may fluctuate as a result of price movements and other factors affecting the value of its investments. Gains or losses will only be realized upon actual redemption of units from the Fund. There is risk that the value of your investment, upon redemption may be worth less than the amount of your original contribution.

## What other important information should you know before you invest?

- The Fund is currently available at BPI branches, BPI Online, and BPI Mobile App. Please watch out for further announcements on new channels where the Fund may be made available.
- A Client Suitability Assessment Test shall be performed by a UITF-certified marketing personnel prior to the investor's participation in the Fund to guide him/her if the Fund is suited to his/her investment objectives and risk tolerance. Clients are advised to read the Declaration of Trust/Plan Rules of the Fund, which may be obtained from the Trustee before deciding to invest.
- Participation in the Fund shall be open to Participants with legal capacity to contract and who are not considered US persons under the US securities and tax laws, subject to the other conditions, rules or provisions stated in the Plan Rules and those established by the Trustee.
- No beneficial owner shall hold more than 10% of the Fund. Any investor who owns more than 10% shall be asked to redeem the amount (or its equivalent number of units) in excess of 10% within thirty (30) calendar days.
- Due to the fund-of-funds structure or layered investment structure of the fund, participants may be subjected to higher fees with the addition of fees and expenses imposed by the target funds. Participants are advised to consider these fees and expenses before investing.
